

Assessing the status of implementation of the Programme of Action of the International Conference on Population and Development and its contribution to the follow-up and review of the 2030 Agenda for Sustainable Development during the decade of action and delivery for sustainable development

April 2024 . <https://www.un.org/development/desa/pd/> . #UNPopulation

This year marks the 30th anniversary of the International Conference on Population and Development (ICPD) held in Cairo, Egypt, in 1994. The Programme of Action adopted by the Conference affirmed a people-centered approach to population and development, grounded in respect for human rights and recognition of the important interactions between population
